

INFERTILITY SERVICES

WITH INTEL CONNECTED CARE

If you're looking to start or expand your family but are having difficulty conceiving, as an Intel Connected Care member, you have medical coverage and support. Infertility services are offered at Kaiser Permanente Interstate Medical Office East.

About your benefits

All infertility services are subject to a \$40,000 lifetime maximum shared for in-network and out-of-network as well as a \$20,000 lifetime maximum for infertility prescription drugs.

Examples of covered services include infertility office visits, treatments, diagnostic lab tests, X-rays, and surgeries.

Learn more and get started

Please call our Obstetrics and Gynecology Department at **1-855-285-4246** to schedule an appointment or speak to an advice nurse.

If your provider recommends in vitro fertilization treatment, you can access these services at Oregon Health & Science University and Oregon Reproductive Medicine.

More information

For more information about your Intel Connected Care benefits, please refer to your 2017 Employee Benefit Summary to see your cost share for services according to your plan.
