(continued from previous page)

Community and wellness programs²

Many classes and programs, including:

- Childbirth, baby care basics, and breastfeeding classes
- Smoking cessation
- Disease prevention and management
- Nutrition and weight management

Health communication options³

- Email your doctor's office with nonurgent questions
- Video visits from your computer, smartphone, or tablet⁴
- 24/7 advice by phone
- Same-day phone appointments with a clinician⁴
- At kp.org, you can check most lab results, refill most prescriptions, schedule routine appointments, find facilities, act for a family member,⁵ and more.

Culturally responsive care

- Bilingual doctors, nurses, and staff are available to help members who speak languages other than English.
- Members have access to more than 150 languages using interpreter services.
- More than 650 bilingual Kaiser Permanente doctors and staff in the Woodland Hills and West Ventura County service area.

¹By referral only.

²Some classes may require a fee.

³These features are available when you get care at Kaiser Permanente facilities.

⁴When appropriate and available.

⁵Online features change when children reach age 12. Teens are entitled to additional privacy protection under state laws. When your child turns 12 years old, you will still be able to manage care for your teen, with modified access to certain features.
