Our facilities in the valleys and western Ventura County

## Care close to your home or work

**Whether you live or work in the valleys or Ventura County, Kaiser Permanente offers you several locations to choose from. Use this handy brochure to find a facility near you.**

An important part of staying healthy is choosing your personal physician. If you haven't selected a doctor yet, simply visit [kp.org/chooseyourdoctor](https://kp.org/chooseyourdoctor) or call **1-888-956-1616**. Get started on building a relationship with your partner in good health.

There's more to Kaiser Permanente than our doctors and medical facilities. You can also go to [kp.org](https://kp.org), where you'll discover a wealth of health information and useful online tools to help you manage your health at Kaiser Permanente facilities. When you're registered on our website, you can email your doctor's office, refill most prescriptions, schedule routine appointments, and view most lab test results. If you haven't registered yet, get started at [kp.org/registernow](https://kp.org/registernow).

For more information about your benefits and our services, call our Member Service Contact Center, open 24 hours a day, 7 days a week. Closed holidays and at 5 p.m. on Christmas Eve, New Year's Eve, and the day after Thanksgiving.
