

# Filling your prescriptions

EASY, CONVENIENT, AND FAST

Do you have a plan that requires you refill maintenance medications at a Kaiser Permanente medical office pharmacy or through our Mail Order Pharmacy service? It's easy to get started. And even more convenient to get prescriptions refilled.

## **Kaiser Permanente has you covered when it comes to filling prescriptions.**

- Register on **kp.org** to view the formulary, order refills online, and more. Download our app to order refills wherever you are.
- Check **kp.org/formulary** to see if your prescription is considered a maintenance or non-maintenance medication. Maintenance medications are taken regularly for ongoing conditions. Non-maintenance medications may be prescribed for pain or infections.
- Maintenance medications: Refill your prescription at a Kaiser Permanente medical office pharmacy or through our mail order service to receive your pharmacy benefit. The first time you fill a maintenance medication, go to a Kaiser Permanente medical office or network pharmacy.
- Non-maintenance medications: Receive your pharmacy benefit by filling your prescription at a Kaiser Permanente or network pharmacy.
- Transition your maintenance prescriptions to our Mail Order Pharmacy service to receive medications to your door with no shipping charges. And, you can receive up to 90 days of medication for the cost of two refills. To get started, call **1-866-523-6059** (TTY: **711**), weekdays, 8 a.m. to 6 p.m.
- Kaiser Permanente medical office pharmacies in Southern Colorado are in Colorado Springs and Pueblo. Find the pharmacy most convenient to you at **kp.org/locations**.
