Locations near you

It's easy to get care at a location that's convenient for you. There are many Kaiser Permanente facilities in your area, offering a wide range of care and services to help you get healthy and stay that way.

Easy access for easier care

With convenient hours and locations, it's simple to get the care you and your family need. Many of our locations offer same-day or next-day, after-hours, and weekend services, along with ob-gyn, pediatrics, and other specialty departments.

Many services under one roof

Most of our facilities offer a wide variety of care and services, so you can take care of several health care needs in one visit. You can see your doctor or specialist, get a lab test or an X-ray, and pick up your medications – all without leaving the building.

Getting care anywhere

With so many locations to choose from, you're sure to find one near your home or work – whatever's convenient for you.

You can also see different doctors at different locations, either for yourself or your family. For example, you can choose a personal doctor close to work and an optometrist close to home, and your child can see a pediatrician near school.

Finding convenient locations

Choosing the right location is as easy as hopping online or pulling out your smartphone.

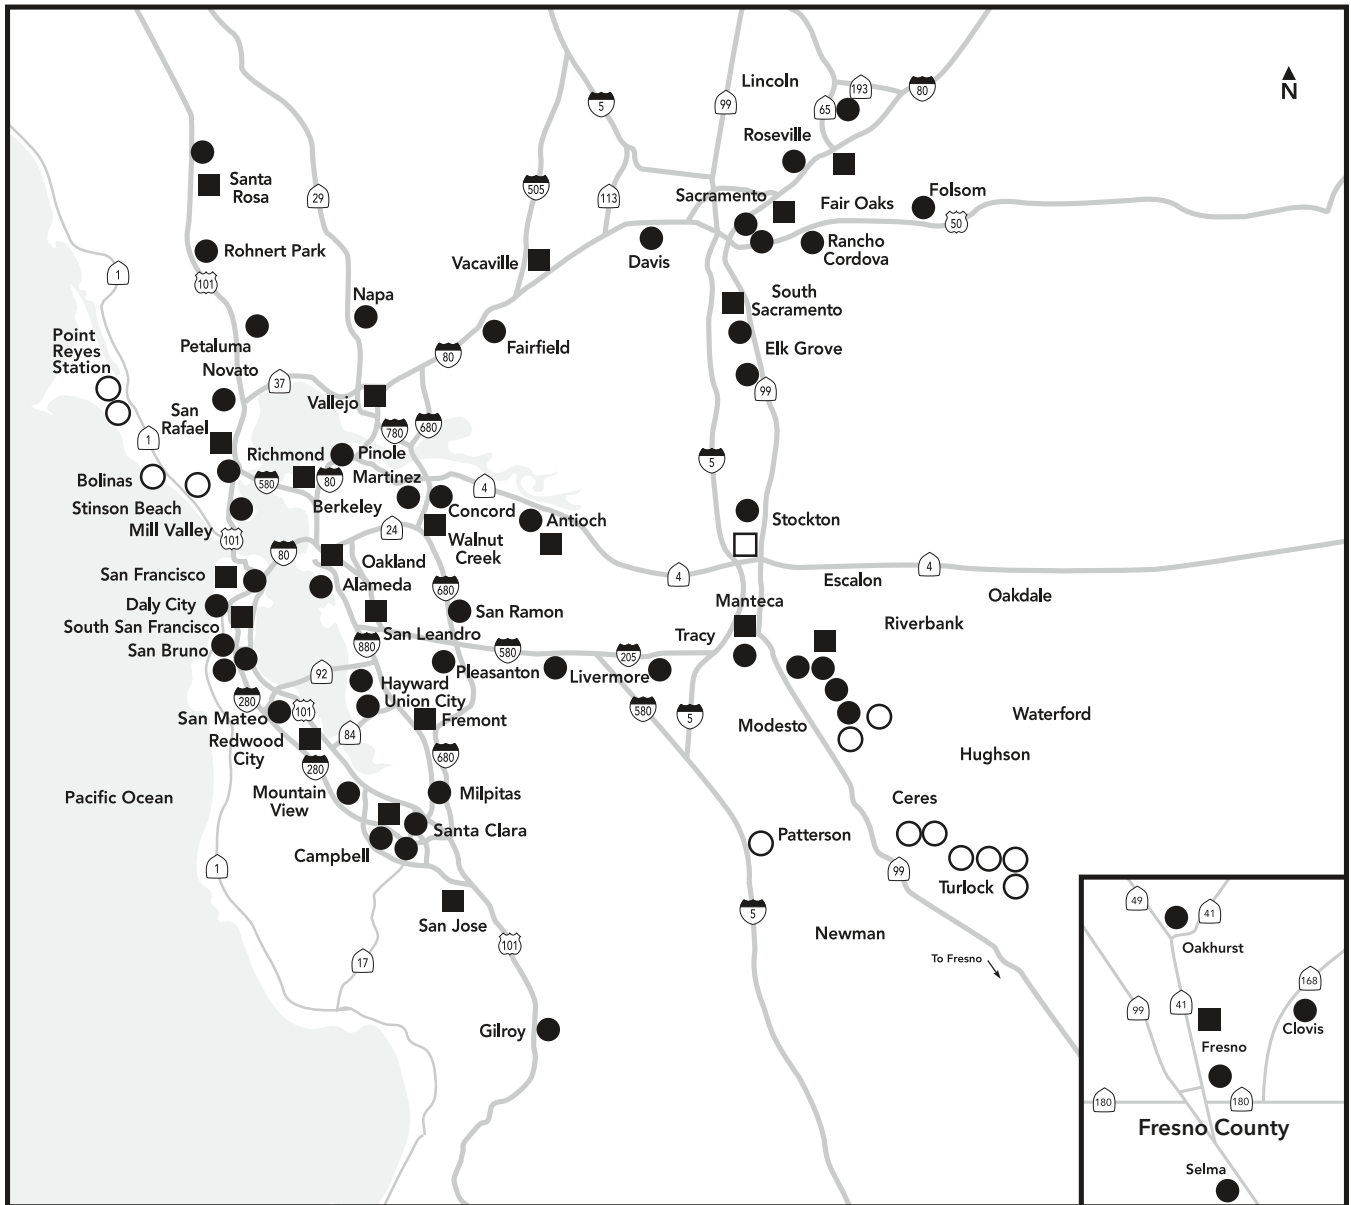

- Visit kp.org/facilities to search by ZIP code, keyword, or the service you want.
- To search with your smartphone or mobile device, just use our location finder on the Kaiser Permanente app.*
